

# Shoot for the Stars

Hollywood clapboards for your doll's stellar debut!

1. Print out clapboards on card stock, and glue onto cardboard.
2. Cut off top part, along the dotted line.
3. (Optional) For a more sturdy / glossy clapboard, cover your pieces with clear packing tape.
3. Poke holes in the marked dots.
4. Overlapping the "bar" section on top, fasten the two pieces with a small brad (available at any craft store).

And now you're ready for Lights, Camera... Shine like a star!

Choose the size that works best for your "star"!
